

News around the Uni Hub

Extended hours for our students

The Uni Hub Spencer Gulf Port Pirie campus has extended its hours to cater for the needs of its local students.

Students can access the building from 7am and midnight, seven days a week.

This flexibility allows students to use the building facilities at a time that best suits them.

This is ideal for students who need to fit their study around other commitments such as work or family.

The building's security features only allow authorised individuals, including students, to have access to the building.

The addition of security cameras throughout the facility adds another layer of protection for our students.

Seeking a job?

Are you looking for a job?

The Port Pirie Jobs Fair will be held on 21 June at the Northern Festival Centre.

The fair will give participants the opportunity to talk face-to-face with local exhibitors, including employers, about real and current employment opportunities across Port Pirie and the surrounding region.

A range of information sessions will also be held about how to improve your chances of getting a job and how to find employment opportunities.

Participants are encouraged to bring along their resume to share with real employers looking to hire.

For more information, visit www.employment.gov.au/jobsfair, call Skana Gallery on 0477 753 390 or email skana@skanagalleryconsulting.com.

STUDY...There has been a steady stream of students using the Port Pirie campus of the Spencer Gulf Uni Hub. Students can pick and choose what facilities they want to use depending on their study preferences - from table and chair arrangements through to lounges and beanbags. Pictured were students Jess Axon, left, and Serina Stott in the student lounge area of the building.

A message from our director

Its been such an exciting start to the life of the Uni Hub Spencer Gulf.

In 12 months we have gone from an idea to reality and we wish to thank all those who have taken this journey with us.

We are so proud of our students who have put in the hard work and are now getting ready for exams.

We are also enjoying the mix of students from other universities who choose to use our facilities - its inspiring to be amongst students striving to achieve.

It is also wonderful to see so many incredible skilled people from our community come forward and be involved in the hub as staff, board members, committee members, tutors, exam invigilators and in providing other operating services.

Community buy in is essential to the success of the Uni Hub going forward. If you would like to know how you can contribute, please contact us 1800 549 779 or visit our website, www.unihubsg.org.

We are continuing to focus on the future and the needs of our region going forward and we are inviting the communities of Port Pirie, Port Augusta and surrounds to tell us

what you need from us through the survey.

The survey link is on our website, www.unihubsg.org (under the Community Survey tab).

We look forward to sharing more great news about Uni Hub Spencer Gulf during the months to come.
