

## What's on at the Uni Hub

### Did you know...?

Did you know that Uni Hub Spencer Gulf facilities are available to all students studying at a tertiary level?

Students not studying through Uni Hub Spencer Gulf's tertiary partners can still utilise the facilities.

For more information, contact the campus coordinator on 1800 549 779.

### Panel to assess applications

Applications are now closed for the first of our scholarships and bursaries.

The scholarships were available for students who were enrolled into courses on offer with Uni Hub Spencer Gulf.

Applications will be assessed and a determination will be made by a selection panel.

### Term 2 intake

Are you thinking about tertiary study?

Why not take your next big step in your own backyard with Uni Hub Spencer Gulf.

Now is the time to start planning for university enrolment for Term 2.

The Port Pirie campus has a range of bachelor courses available, including psychological science, education, nursing and social work.

Studying through Uni Hub Spencer Gulf allows you access to a range of study spaces, video conferencing facilities, computer, printer and high-speed internet as well as academic and tutorial support.

For more information contact campus coordinator Kim Gregory on 1800 549 779 or visit our website on [unihubsg.org](http://unihubsg.org).

## Uni Hub celebrates its opening

**OPENING...More than 80 people attended the official opening of the Uni Hub Spencer Gulf Port Pirie campus on February 25. The ribbon was officially cut by Federal Member for Grey, Rowan Ramsey MP.**

**Pictured above were, from left, Lindsay Thomas, who performed the Nukunu Welcome to Country and traditional smoking ceremony, Uni Hub Spencer Gulf board deputy chair Brenton Vanstone, Port Pirie mayor Leon Stephens, Federal Member for Grey Rowan Ramsey, and Port Augusta mayor Brett Benbow. Pictured right was Lindsay Thomas, performing the traditional smoking ceremony.**

## Orientation week kicks off at Uni Hub

Port Pirie students were given their first taste of Uni Hub life during last week's orientation week activities.

A range of sessions were given to bachelor, STEPS and SUN students, providing information on how Uni Hub Spencer Gulf will support their tertiary education journey. CQUniversity representatives also provided students with practical advice about how to succeed in their studies.

Port Pirie coordinator Kim Gregory said the O-week activities were well received by students.

"Students were really engaged with our sessions - we had lots of questions and plenty of interaction," she said.

"The week gave us the opportunity to give our students a range of information and advice to help give them the best chance of success."
